

KÖLBL European Tonewood is an Austrian family-owned company with over 90 years of experience in processing high-quality tonewoods for the international musical instrument industry. As part of strengthening our team, we are currently expanding our operations and are looking for:

Machine Operator

Available immediately | Full-time | Aigen-Schlägl

What defines you:

- You already have professional experience in a wood-related field or in operating machinery. A completed apprenticeship is an advantage, but not required.
- Enjoyment of working with wood
- German language and computer skills
- Forklift license and/or tractor -license is an advantage

What you can expect:

- Operation of the band saw, circular resaw, and stacking system
- Flexible, independent, and precise working style
- Close collaboration with the sharpening department
- Minor mechanical repairs and troubleshooting

THE SOUND OF THE ALPS

What we offer:

- State-of-the-art machines and equipment
- A stable, future-proof job in an internationally respected company in the music industry
- 4-day workweek (38.5 hours)
- Short decision-making paths, flexibility, and variety
- Daily hot lunch including meal allowance
- Salary according to the collective agreement for the sawmill industry. Depending on qualifications, we are willing to offer above-standard pay!

Do you have experience in sawmill operations and enjoy getting hands-on? Then become part of our team and send your application documents to **p.sexlinger@koelbl.co.at** or contact us at **+43 7281 6317 12**.

If you're interested, you are also welcome to come and "get a feel" for the work. **Lateral entrants** are welcome!
